## MAGIC CARPET™ from Bullfrog Productions

Are you tired of Doom™ yet? Then you need Magic Carpet! An incredibly fast flight engine, exquisite fractal graphics, intense non-stop action and subtle strategy are perfectly blended in this highly addictive game. As a young wizard you must battle up to eight human opponents and dozens of evil creatures through 50 unique worlds in your quest to become the greatest sorcerer of all time.

**\$54.95 Available for IBM CD-ROM**

## AROUND THE WORLD IN 80 DAYS from EA\*Kids

In this newest EA\*KIDS Creative Reader, children assist Phineas Fogg and his sidekick monkey, Sidney, in their race around the world. With the help of the Paintbox Pals™, children use reading comprehension, decision-making, and storytelling skills to explore a dozen countries, visit famous landmarks, and interact with people from around the world.

**\$39.95 Available for IBM and Macintosh CD-ROM**

## COUNTING ON FRANK: An imaginative world where Math is fun for everyone. from EA\*Kids

Part wacky word problems, part ingenious math drills, and most of all downright fun, a day with Henry and his pal Frank offers kids math in a world made just for them. Ever wonder how many peas would fill your kitchen or how many gallons of water would fill your bathroom....well, wonder right along with Henry & Frank and both your math skills and your imagination will multiply.

**\$39.95 Available for IBM and Macintosh CD-ROM**

## SESAME STREET®: NUMBERS from EA\*Kids

Join your child on a trip down Sesame Street with their favorite characters including Big Bird, Elmo and the Count. Four different interactive games focus on key aspects of math readiness, number recognition, set classification, counting, and the spatial relationships of "near" and "far". All this combined with over an hour of interactive video and audio from the Sesame Street Series provides hours of fun and learning. Designed by the Educational Specialists at Children's Television Workshop.

**\$39.95 Available for IBM and Macintosh CD-ROM**

## FREDDI FISH AND THE CASE OF THE MISSING KELP SEEDS from Humongous Entertainment

Grandma Grouper's prize-winning kelp seeds are missing, and Freddi Fish and her finny friends are on the case! This interactive adventure, designed for children ages 3 to 8, with high-quality animation, brilliant sound, and engaging characters will thrill both your child and you! Children will improve their problem solving skills while they learn interesting facts about the sea.

**\$49.95 Available for IBM CD-ROM**

## Romp Through History Series #1 RECESS IN GREECE

from Morgan Interactive

The classics come to life as you travel through ancient Greece with Morgan. Games, puzzles and activities are integrated into the story to illustrate how the mythology, vocabulary, architecture, math and science of ancient Greece are still a part of our contemporary world. Beautifully sequenced film-quality animations add to this humorous and engaging romp through history.

**\$34.95 Available for IBM and Macintosh CD-ROM**

## NO WORLD ORDER

from **Electronic Arts**

Introducing an entirely new concept in music from Todd Rundgren. For the first time, you, the listener can affect how the music on a CD plays. After the tempo, change the mood, remove the vocals. *No World Order* takes your input, then remixes nearly 1000 musical events to match your style. Includes 10 original TR-i themes and 4 versions by legendary producers Don Was, Jerry Harrison, Hal Willner and Bob Clearmountain.

**\$29.95 Available for IBM and Macintosh CD-ROM**

## ARMORED FIST™

from **NovaLogic**

NovaLogic's breakthrough graphics technology sets the stage for the most realistic high-tech tank battle simulation ever! Turn your turret full circle to scan authentic battlefields, or poke your head out of the hatch for an exhilarating full-screen view of your surroundings. Command up to four platoons of assault machines designed for 21st century warfare. Many intense campaigns included, or design your own battle theatre.

**\$59.95 Available for IBM CD-ROM**

## WARREN MILLER'S SKI WORLD

from **Multicom**

The guide to everything skiing, with equipment, techniques and hot skiing video. A comprehensive resort database is filled with useful information from slope maps to amenities. Interactive video instruction lets you learn at your own pace. Check out hot-dogging, racing, extreme skiing and dramatic crashes. It's a total interactive multimedia skiing experience.

**\$44.95 Available for IBM and Macintosh CD-ROM**

## THE COMPLETE ULTIMA® VII CD>HARD DRIVE

from **ORIGIN**

The entire *Ultima VII* saga on a single compact disk. You'll get *Ultima VII: The Black Gate™*, *Forge of Virtue™*, *Ultima VII Part 2: Serpent Isle™*, and *The Silver Seed™*. Vanquish the evil that confronts you in these daring quests, and you'll return through time with the power to heal the devastated land.

**\$49.95 Available for IBM CD-ROM**

## WING COMMANDER® I & II DELUXE CD

from **ORIGIN**

Together at last, on one CD! More than 150 missions, all to deliver humanity from the jaws of Kilrah. You'd better be as good as your reputation, because the action intensifies, the opposition stiffens, and the stakes climb with each victory. Both *Wing I* and *II* have won numerous *Game of the Year* awards. *Wing I* plays off your hard drive; *Wing II* plays directly from the CD.

**\$39.95 Available for IBM CD-ROM**

## STRIKE COMMANDER® / PRIVATEER™ CD-ROM

from **ORIGIN**

Soar into near-future dogfighting that will leave you breathless, then journey to the seamy side of the *Wing Commander* universe, populated by a volatile mix of pirates, miners and mercenaries. Each has full digitized speech and sound effects, General MIDI music, more than 60 missions, and requiring a fraction of the hard drive space.

**Together on one CD**

**\$54.95 Available for IBM CD-ROM**

Note: CD-to-Hard Drive Edition is a delivery medium only; games must be loaded onto hard drive.

## TOTAL DISTORTION™

from Pop Rocket

Risk your life on a one-way trip to the hard-rockin' "Distortion Dimension" as a music video producer in search of fresh material. Deal with motley rock star inhabitants, battle guitar warriors, mix your own music videos, and cut million dollar deals on-line with Earthling TV producers. Features 3-D movie-like world stuffed with incredible graphics and animation, books, arcade games, TV & radio shows, and an original soundtrack with over 40 tunes.

\$69.95 Available March '95 for IBM and Macintosh CD-ROM

## WOLF: Hunt Or Be Hunted!

from Sanctuary Woods

The mysterious world of the wolf comes alive through more than 40 different scenarios where you gain the experience necessary to climb the wolf pack social order. Weather conditions, fierce predators and limited food supply make for an intense challenge. In addition, *Wolf* is an interactive museum and nature preserve where players can learn about the wolf and its environment.

\$49.95 Available for IBM CD-ROM and DOS Floppy

## U.S. NAVY FIGHTERS™

from Electronic Arts

Take off in the first of EA's new Air Combat Series™ of high-end flight simulations. From the designers of Chuck Yeager's Air Combat™, this ultimate dogfighting sim captures all the high-G excitement of modern carrier aviation. Push the envelopes of some of the hottest U.S. combat aircraft such as the F-14 Tomcat, F/A-18 Hornet, A-7 Corsair II and the proposed naval version of the F-22 Lightning. Or turn and burn in the Su-33 Flanker, the Russian Navy's powerful fourth-generation fighter-bomber. U.S. Navy Fighters delivers extraordinary graphic performance and sound effects, creating an environment unrivaled by other flight sims.

\$59.95 Available for IBM CD-ROM

## MILLENNIUM AUCTION™

from Eidolon

In this new cutting-edge CD-ROM strategy game of bidding, bluffing, buying and selling, collectors are restricted to trading their privately held treasures through THE WORLD BODY AUCTION HOUSE. You'll compete for the world's most coveted objects and greatest works of art, as you roam the different rooms in the auction house, looking for clues and hints that could affect the pricing and market value of the art and treasures up for auction.

\$59.95 Available for MPC CD-ROM

## PGA TOUR® GOLF 486

from Electronic Arts

EA SPORTS™ and the PGA TOUR present the most realistic looking golf game for the PC. Key features include realistic 3-D courses, complete with hills and valleys. Players can also play against 10 featured PGA pros whose actual digitized swings are in the game. The pros even give their commentary on the TPC courses and individual holes.

\$59.95 Available for IBM CD-ROM

## NHL® Hockey '95

from Electronic Arts

From the designers of the #1 hockey simulation on the PC. This new CD version gets you red-book quality sound effects and authentic NHL game footage from the '94 NHL season. Players now feature more animations than ever before, everything from fake shots to incredible goalie butterfly saves. Full season mode supporting the most up-to-date player stats available on the PC makes *NHL Hockey '95* a must-have!
