

EARL WEAVER BASEBALL II - CODE WHEEL MODIFICATION TABLE

Near the beginning of the game, you will be asked to enter a number from the Code wheel included with EWBII. A message will say "Please find the yearly salary for this position on this team: " and will list a team, a year, and a position. To find the correct number, match the team with the year in the box below to get a "small" letter of the alphabet. Then, in the bottom box match the "small" letter with the position. The number that appears at the meeting is the correct salary figure. Type this number and press Enter. You will have three chances to enter the correct number; if you enter the wrong number all three times, EWBII will exit to DOS.
